VOLUME I - READING EDITION

Version 1.0 - July 2026

Marvel Rivals Chronicle

Volume I - Reading Edition

Complete narrative reading guide for published Marvel Rivals lore, with direct links, internal bookmarks and progress tracking.

How to Use This Chronicle

Read in order. The order number follows the narrative sequence; the MRC ID is permanent even if an entry is moved.

Use Read Here. Every link opens the relevant lore, gallery, event, collectable or comic page directly.

Continue Reading jumps to the next entry inside the PDF.

Mark as Read is an interactive checkbox whose state can be saved by compatible readers.

Availability appears only when content can no longer be obtained or normally revisited in-game.

Provisional chronology. Seasons 8 and 9 may be refined as new material is published and reviewed.

Contents

ARC 0	Prologue	6 entries
ARC I	Mutant Storyline	7 entries
ARC II	Cap's Storyline	8 entries
ARC III	Wakanda & Klyntar	14 entries

THE CHRONICLE CONTINUES

This volume includes all material placed through the opening of Season 9.
Future entries will be added without changing permanent IDs.

Version 1.0 - July 2026

Sources and Editorial Method

The base sequence preserves the community chronology published by Miquhh on Reddit, checked against the Hero Stories index, Gallery pages and event archives on the Marvel Rivals Wiki. Seasons 8 and 9 are marked provisional wherever their complete order is not yet established. Links point to the best available sources; this guide does not reproduce the full stories.
